The CHD Street Therapy game plan reveals the existence of God housed within the CHD model. When we put this game plan into play, utilizing the power of God, we automatically matriculate to higher levels of spiritual consciousness. The spiritual level is where we wake up to discover that our true nature is the power of God.

Every human being possesses a portion of God's power. As a Certified Playologist who specializes in the field of Playology, I can teach anyone how to put that power into play for advancing the evolution of human potential in every aspect of our lives.
