

## **Harness the Power!**

# The "POWER of PLAY" And Earn "PAY" Along the Way by Playing Corporate Health Dynamics (CHD) Street Therapy

Do you know why 1% of the world owns 85% of the wealth? This is a question that I believe we would all like to know. Over the past twenty years I have developed a fun-first fitness/commission system that is specialized, organized, and synchronized for putting people in positions necessary for all of us to "harness the power" from the powerful influence of the infamous streets (PIOTIS).

To learn more about PIOTIS and how you can earn pay playing CHD Street Therapy, plus enjoy an incredible level of spiritual well-being, a passion for life-long learning, and personal and professional mastery and prosperity, please call me, Oliver Rhodes, at 619.987.0559 or e-mail [oliver@streetherapy.com](mailto:oliver@streetherapy.com).

Make play "your way" to add happiness "and pay" to your day.

Good Day!
