## Sign on to “Get Your Game On!”

I am very interested in learning how to become a Corporate Health Dynamics (CHD) Street Therapy team player. I understand that as a CHD Street Therapy team player, I am signing on to get my game on as an **equal partner** in this company. CHD Street Therapy serves as a source for fun that leads to a force of one for empowering anyone to really live a “Passionate Life of Adventure and Youthfulness”™ (PLAY). Game on!
