The Spirit of PLAY!

Dear friends, neighbors and family! Now is the time to come together in The Spirit of PLAY instead of the atrocities of dismay. As a Certified Playologist, I started a PLAY Revolution that also serves as a PAY Revolution playing the biggest game in town, hands down. "The Game" is Corporate Health Dynamics (CHD) Street Therapy.

The objective is to play The Game in God's name and get others to do the same. I can assure you that we all need God in our lives more than ever. What better way to restore our spiritual selves to wholeness by playing The Game in God's name. Since only God's influence is Therapeutic our life, business, health and happiness will gain added value to the tune of unlimited wealth, perfect health and the re-creation of our spiritual self.

The Game represents an equal distribution of wealth that evolves into a self-sufficient system of financial freedom and social justice for every human being on the planet. All we have to do is invest in the best (the power of God), play at our best and share this quest with all of the rest – everybody we meet out here on the streets.

Based on 30 years of proven scientific research, an unprecedented dissertation and 40 years of Therapeutic Recreational enjoyment experienced by fun-loving people playing The Game, The Game provides us the opportunity to pool our resources where we play on growing our funds instead of blowing our funds.

The Game plays out like an economical potluck where every team player PLAY and PAY forward a monthly investment of \$220.00 that returns 100% times the number of people we sponsor. For example, if you sponsor 3 new team players into The Game, that's 300% times your initial investment of \$220.00 that equals \$660.00. This \$660.00, less your monthly investment of \$220.00, leaves \$440.00 you would receive every month for life.

The more we play, the more we earn pay. And your earnings from those whom you sponsor are paid directly to you using QuickPay®. Our monthly investments all revolve around the power of God giving us the power to Fun-Share® at our best when we play God at our best.
